

Wow, I don't even know how to write this letter to you now, you are my "HERO" for real, I'm almost afraid to write this to you but in a way I am not. It has been a long time coming, Jesus Christ is awesome, it is almost like He is writing this to you now through me. "I, Jon Carlton Miller want and need you ma'am to hear my case about Mayor Johnny Isbell and His illegal thugs in the Pasadena City Council and Johnny Isbell's Police State Officers." "I, Jon Carlton Miller have been beaten and choked with hand-cuff's on in Case no. 1354215 - Incident No./ TRN: 91678977509A001 in Dishonorable Judge Presiding: Ryan Patrick's Court room. Ms. Rosenthal, they all, - Ryan Patrick, Attorney for State: M Magness, and Attorney for Defendant: Joseph Owmbly were all in coercion and collusion and Constitutionally illegally working together to convict me in Case no. 1354215. Ms. Rosenthal, I asked Joseph Owmbly my so called court appointed defense attorney for almost 7 months for the surveillance digital video footage of those cops beating me and brutally torturing me in the booking area of the Pasadena Police Dept's municipal Jail. Anyway now I am set for trial for evading arrest in this different case no. 1468487 and case no. 1468488 and now "they" whomever "they" are? Are going to try to use Case no. 1354215 to convict me in case no's 1468487 and Case no. 1468488 as a Habitual and sentence me the defendant to 25 to Life in TDCJ. Ma'am, I have been locked up in the Harris County Jail for almost 2 years now and in both of the cases 1468487 and 1468488 the same Pasadena Police Officers put a canine on the defendant illegally even after I submitted and surrendered to the officers with both of my hands-hand ~~over~~ over hand on the driver's side door mirror anyway they brutally tortured me again and now I am set for trial in #174th District Court of Honorable Hazel Jones Presiding Judge's Court room on 2-21-17. "I, supposed to be Pro Se under Faretta, I have had to learn all this law in a short period of time etc etc. Please help me ma'am, I need a Civil Rights lawyer, - "I have reported all these "Hate Crimes" done to me by Johnny Isbell's Police State Officers to the FBI, Texas Rangers, Julian Ramirez and Major Clint Greenwood

Case 4:14-cv-03241 Document 1-3 Filed 02/27/17 Page 2 of 4
of the Harris County District Attorney's office and Internal Affairs Division of
the Harris County Sheriff's dept. No one does anything?? They are all
protecting the KKK mayor Johnny Isbell, please Ms. Rosenthal, I am 100% in
fear of my life ending, "they" are "all" trying to stop me, "they" have been censoring
confiscating and "stealing" my legal and personal mail for almost 22 months now.
I 100% believe that Johnny Isbell has targeted me - Jon Carlton Miller from
a long time ago, when he and his City Council thugs and his illegal band of
attorneys running the Pasadena City's legal team etc etc. Anyway "they" all
together condemned my mother's home at 2413 Pomona Street in Pasadena TX 77506.
The Mayor literally put us on the street illegally and made us out of pure force
to sell the home for pennies on the dollar. That Mayor and his thugs
helping him are purely Evil and corrupt, he needs to be stopped ma'am, please
stop him, you have been elected and chosen by God to stop him. I have
irreversible ~~scarred~~ scars all over my back were the canine tore my flesh apart,
these people are real, the KKK Johnny Isbell is Real 100%!!

"May God Bless you
and yours!!

"You are still my Hero!!

Sincerely
Jon C Miller
